HONOUR ROLE NOMINATION

Introduction

Honour Role Membership is the for the recognition of players, coaches, umpires, administrators and volunteers who have made a significant contribution to the Club. The individual's contribution embodies the culture of the club including, but not limited to their ability, integrity, sportsmanship, character and commitment.

Nomination

Nominations for the Parks Honour Role shall not be limited by time but should be determined by the contribution made. Nominations could include:

- a. The recognition of Parks Executive Committees Member years of service
- b. Considerable contribution as a club team coach and manager over a number of years
- c. Volunteer and support in the operation of the club over a number of years
- d. Significant contribution as a club player and years of service or recognition of significant state or national selection
- e. Significant contribution by a club member in support of the game of hockey over a number of years (for example, umpire, official, contribution to the association or state activities).

Nominees should be current active members of the club, unless in the example of recognition of past executive committee members or state and national players. An outline of the nominee's contributions and achievements will be used in consideration of selection.

The number of Honour Role nominees should not be limited each year however consideration should be made in future nominations.

Summary of Selection Process

The Club's Executive Committee reviews the nominees' contributions and creates a merit list of potential Honour Role Members. Club Life Members can be used to ensure nominations are fair and justifiable. The Club's Executive Committee ratifies the recommendation and presents the candidate/s name/s to the next AGM.
